Based upon the initial expressions of interest, we have built provisional option blocks for sixth form subjects next year that we now need to trial. Please complete the form, choosing no more than 1 subject in each block and no more than 5 in total. Most students opt for **4 AS Levels or equivalent** and this is the minimum requirement, unless special arrangements have been made. BTECs count as 1 (single), 2 (double) or 3 (triple) subjects and should be indicated in **all the relevant columns**. BTECs are 2 year courses. You should indicate your order of preference when recording your subjects, using 1 for the subject that you most wish to study and 4 for the subject that you least wish to study.
