

Extended Project Qualification

Exam Board: AQA

The Extended Project Qualification (EPQ) is a level 3 qualification and is worth half an A2 in UCAS points.

The EPQ encourages students to complete a largely self directed, independent project. They take responsibility for the choice and design of their project which can either be a 5000 word written essay or an artefact with an accompanying report.

By completing the EPQ students will mature into critical, reflective and independent learners and develop decision making and problem solving skills.

This is an excellent opportunity for students to participate in an enrichment activity that will directly benefit their university application and future studies.
