Dear Student

Your exams are now well underway and, according to many of you, going very well. Keep up the great work.

In order to support you in the examinations that are due to take place after ½ term, we have organised a revision programme for ½ term and for the remainder of the exam season. If your teacher is not running a session, please feel free to attend any session for your tier of entry. You are all welcome. Some teachers have arranged to see students outside of the schedule below. These are not shown.

Please try to attend as many of these sessions as you can. They will help to ensure that you are fully prepared for the later papers.

A timetable for afternoon Warm Ups has also been put in place. Morning Warm Ups will continue in the subject rooms unless otherwise directed.
