

Easter GCSE Revision Classes 2019 – Year 11

This is a busy time for Year 11 students and we are here to help. The following Easter revision sessions will support you alongside the revision that you are doing at home. Each session will be a sharp two hour session, focussed on key knowledge and skills required to do well in your exams. You should revisit your revision timetable for the Easter break and build in the relevant sessions. Please attend the sessions based upon your subject, not the teacher. E.g. If you study History, the 'Cold War' will be revised with Miss Banks but Germany will be revised with Mr Grinter.

A revision timetable template can be found here <https://moodle.chauncy.org.uk/course/view.php?id=459>. If you need assistance in putting together a revision timetable for the Easter break, please see Miss Havercamp, Mr Burnett, Mr Walton or me.

Please remember that effective revision must involve regularly checking your knowledge and understanding. Numerous on-line applications are available to help you with this, as well as the past paper questions and other resources produced by individual subjects.

Ms Carey

Week 1				
Date	Time	Subject	Teacher	Location
8th April 2019	09.00 - 11.00	Science - Biology (Double)	LF, KBR	Science Block
		Chemistry - Year 10	LLZ	
		Biology - Year 11 (Sep Sciences)	KB	
		Statistics - Year 9	AT	
	11.30 - 13.30	Science - Chemistry (Double)	LF, KBR	
		Chemistry - Year 10	LLZ	
Chemistry - Year 11 (Sep Science)		KB
