Points to note

- Certain subjects may attract different fees.

- Review of marking - *This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is <u>not a re-marking of the candidate's script</u>. The awarding body will have trained its reviewers to conduct reviews of marking accurately and consistently. Reviewers will <u>not re-mark the script</u>.*

- [2] *This service is to request a copy of script to support a RoRs service 2; Note where a "… candidate is thinking of having a Priority Service 2 review of marking, please refer to the relevant awarding body's website to understand the implications of requesting a copy of the script."* [JCQ *PRS* publication (section 4.4.3) accessed here http://www.jcq.org.uk/exams-office/post-results-services]

- Where a copy of a re-checked or reviewed script is requested, this should normally be applied for at the same time as the RoRs request to meet the relevant RoRs deadline. Check the relevant awarding body post-results services information to confirm this process and deadline and additional fee
