Clerical re-checks, reviews of marking and appeals

Candidate consent form

The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.

If your school or college submits an application for a clerical re-check or a review of the original marking, and then a subsequent appeal for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the clerical re-check or review of marking, you must sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.

Centre Number 17263	Centre Name Chauncy School
Candidate Number	Candidate Name
Exam paper details	(awarding body, paper title and code)
Fee amount	Date paid

I give my consent to the head of my school or college to submit a clerical re-check or a review of marking for the examination(s) listed above. In giving consent I understand that the final subject grade and/or mark awarded to me following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded for this subject.

Points to note

- Certain subjects may attract different fees.
- Review of marking - *This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. It is not a re-marking of the candidate's script. The awarding body will have trained its reviewers to conduct reviews of marking accurately and consistently. Reviewers will not re-mark the script.*
- ²This service is to request a copy of script to support a RoRs service 2; Note where a "... candidate is thinking of having a Priority Service 2 review of marking, please refer to the relevant awarding body's website to understand the implications of requesting a copy of the script." [JCQ PRS publication (section 4.4.3) accessed here <http://www.jcq.org.uk/exams-office/post-results-services>]
- Where a copy of a re-checked or reviewed script is requested, this should normally be applied for at the same time as the RoRs request to meet the relevant RoRs deadline. Check the relevant awarding body post-results services information to confirm this process and deadline and additional fee
